An asterisk (\*) appearing next to the amount indicates a difference from projected activity either in the amount or the date. The letter "E" next to an amount indicates that the payment or disbursement has not yet occurred, but is estimated to occur on the date shown.

Last year we anticipated that Disbursements would be made from your Escrow Account during the period equaling \$6,997.62. Your lowest monthly escrow balance should not have exceeded \$918.79, which is either 1/6 (also equal to no more than two months) of the total projected payments from the account as required by federal law or the reasonable amount required by state law or the amount required by your mortgage contract. Your actual lowest monthly balance was \$846.68. The items with an asterisk on your Account History may explain this. For further explanation, call our toll-free number shown under the Contact Us section on this statement.

**Total Anticipated Annual Disbursement**

We anticipate paying the escrow items listed below on your behalf in the upcoming 12-month period. The dollar amount shown may be the last amount paid for that item, or we may project the amount due as defined by federal law.

**Account Projections**

The following information covers your projected escrow account activity from 06/2024 to 05/2025. All payments we anticipate receiving as well as disbursements we anticipate making on your behalf are included, along with the Projected Escrow Account Balance, derived by carrying forward your current actual escrow balance. The required Escrow Account Balance displays the amount actually required to be on hand as specified by federal law, state law, or your mortgage documents, and may include a cushion of up to one-sixth of your annual disbursements. Please retain this statement for comparison with the actual activity in your account at the end of the next escrow analysis cycle.

## ANNUAL ESCROW ACCOUNT DISCLOSURE STATEMENT

Your Projected Escrow Account Balance as of 05/31/24 is \$2,232.74. Your Required Beginning Escrow Balance according to this analysis should be \$2,330.32. This means you have a shortage of \$-97.58. Per federal law, the shortage may be collected from you over 12 months or more unless it is less than 1 month's deposit, in which case we have the additional option of requesting payment within 30 days. **We will collect the shortage over 12 months.** Once during this period, your Required Escrow Account Balance should be reduced to \$932.12, as shown in February. This amount represents the cushion selected as allowed by your mortgage contract, federal and state law.

### Balance Your Escrow Account

Each year your account is reviewed to make sure there is enough money to pay your property taxes and/or insurance. Federal law allows us to require a minimum balance in your account. This cash reserve helps to cover any increase in taxes and/or insurance. Subject to state law limits, your minimum balance normally equals the amount of your escrow payments for about two months. The payments made to and from your escrow account last year help predict your account activity for next year. Last year's activity also helps predict what your lowest account balance is likely to be. To balance your escrow account, we compare what your lowest account balance will likely be next year with your minimum required balance. The difference between those two numbers tells us if you need to deposit additional funds or if we will provide a refund.

\$932.12	Your minimum required balance
\$834.54	Your projected lowest account balance for February
\$-97.58	Your escrow account surplus/shortage

LoanCare is a debt collector. This is an attempt to collect a debt, and any information obtained will be used for that purpose. However, if you filed for bankruptcy, currently are in bankruptcy or received a discharge in bankruptcy, this communication is not an attempt to collect a debt, but is instead a legally required notice regarding your escrowed taxes and insurance.

### Private Mortgage Insurance Disclosure

**Private Mortgage Insurance:** Your mortgage loan requires private mortgage insurance ("PMI"). PMI protects lenders and others against financial loss when borrowers default. Charges for the insurance are added to your loan payments. Under certain circumstances, federal law gives you the right to cancel PMI or requires that PMI automatically terminate. Cancellation or termination of PMI does not affect any obligation you may have to maintain other types of insurance.

**Borrower Requested Cancellation of PMI:** Under the Homeowners Protection Act of 1998, if your loan closed on or after July 29, 1999 as a single-family primary residence, you have the right to request that PMI be canceled on or after either of these dates: (1) the date the principal balance of your loan is first scheduled to reach 80 percent of the original value of the property or (2) the date the principal balance actually reaches 80 percent of the original value of the property. PMI will only be canceled on these dates if (1) you submit a written request for cancellation; (2) you have a good payment history; and (3) we receive, if requested and at your expense, evidence that the value of the property has not declined below its original value and certification that there are no subordinate liens on the property. A "good payment history" means no payments 60 or more days past due within two years and no payments 30 or more days past due within one year of the cancellation date. "Original value" means the lesser of the contract sales price of the property or the appraised value of the property at the time the loan was closed.

**Automatic Termination of PMI:** Under the Homeowners Protection Act of 1998, if your loan closed on or after July 29, 1999 as a single-family primary residence and if you are current on your loan payments, PMI will automatically terminate on the date the principal balance of your loan is first scheduled to reach 78 percent of the original value of the property. If you are not current on your loan payments as of that date, PMI will automatically terminate when you thereafter become current on your payments. In any event, PMI will not be required on your mortgage loan beyond the date that is the midpoint of the amortization period for the loan if you are current on your payments on that date. If your loan closed before July 29, 1999 or if it is not a single-family primary residence or second home: The conditions for canceling mortgage insurance for mortgages closed before July 29, 1999 are not statutory under federal law, they may be changed at any time (unless otherwise required by state law). To determine if you can cancel the PMI on your loan or for further information about PMI cancellation, contact us at P.O. Box 8068, Virginia Beach, Virginia 23450 or call 1.800.509.0183.

### Your Payment Information

Your current total monthly mortgage payment is \$1,632.05. Your total amount due will change by \$12.17. Your new total monthly payment will be \$1,644.22, effective 06/01/2024.

### Your Escrow Shortage

Your projected escrow account balance as of 05/31/24 is \$2,232.74. Your required beginning escrow balance according to this analysis should be \$2,330.32. This means you have a shortage of \$97.58.

A surplus or shortage in your escrow account commonly occurs when:

- > The projected amount at closing increases or decreases
- > Your property taxes increase or decrease
- > Your homeowners insurance increases or decreases
- > You change your homeowners insurance company
- > We pay delinquent taxes on your behalf

If you have questions about an increase in your property taxes or insurance premiums, please contact your local taxing authority or insurance agent.

Your shortage of \$97.58 will be divided into 12 installments of \$8.13 and added to your monthly payment. Your new monthly payment will be \$1,644.22, effective 06/01/2024.

If you choose to pay your shortage in full, please detach the stub at the bottom of your analysis statement, enclose it with your check and mail them to:

## FREQUENTLY ASKED QUESTIONS

### I thought I had a fixed rate. Why did my payment change?

Your mortgage payment is made up of two parts: your loan payment (principal and interest) and your escrow payment (taxes and insurance). Your loan payment does not increase or decrease unless you have an adjustable rate mortgage (ARM). The portion of your monthly mortgage payment that goes toward escrows (taxes, homeowners and/or mortgage insurance) will change based on your projected amounts due to be paid.

### Your Mortgage Payment

\* Your escrow payment may consist of the items in the three categories shown in gray.

Please note: this chart is provided for demonstration purposes only and is not intended to represent the specific amount you have in each category.

### Why is there extra money in my escrow account?

Your escrow account makes sure you have money set aside to pay the necessary taxes and insurance.

A certain amount of the funds in your escrow account are designated to help keep your account from going negative. We call that an escrow cushion.

3637 Sentara Way | Virginia Beach, VA 23452

Even if you choose to pay your shortage in full, the amount of your payment may still change. Your escrow collections over the next 12 months may be increased to ensure enough funds are collected to pay your future taxes and insurance.

Please review the Account Projections section of your Annual Escrow Account Disclosure Statement to confirm the disbursement amounts of the escrowed items. If you find errors in this information, please confirm the disbursement amounts with your local taxing authority or insurance carrier and contact us to report any discrepancies.

### How can I lower my escrow?

You may seek additional insurance quotes while maintaining the required coverage. You may contact your taxing authorities and ensure that you have taken advantage of all applicable exemptions. If you are able to reduce the cost of your insurance and/or are approved for an exemption, please make sure to provide us updated information.

### Can I prepay my escrow so that my payments don't change?

No. You are required to pay 1/12<sup>th</sup> of each escrowed item monthly with your principal and interest payment.

# A GUIDE TO YOUR ANNUAL ESCROW STATEMENT

## Understanding Your Statement

Your business is important to us and so is your satisfaction. We know that understanding your Annual Escrow Account Disclosure Statement can be overwhelming. We have created this guide to help you.

Please take the time to review this thoroughly.

## 1 Annual Escrow Account Disclosure Statement

The Annual Escrow Account Disclosure Statement section includes your loan number, the review period and the escrow surplus/shortage.

- Loan Number – Unique primary identifier that is specific to your loan.
- Review Period – Time frame for activity displayed in the statement.
- Escrow Surplus/Shortage – If your projected escrow account balance is greater than the required beginning escrow balance, you have a surplus. If your projected escrow account balance is less than the required beginning escrow balance, you have a shortage.

## 2 Current Mortgage Payment

This section shows your current total monthly payment with a breakdown of principal and/or interest and escrow.

## 3 New Mortgage Payment

This section displays your new payment amount and the date on which it is due. This includes principal and interest, escrow and additional amounts.

- Effective Due Date – Date on which your new payment is due.

## 4 Account History

This section displays a breakdown of your account history for the review period that includes the following sections:

- Month – The month for which activity is displayed.
- Activity – A description of the projected and/or actual amount(s).
- Projected Amount: Deposit – 1/12 of the anticipated annual escrow disbursement as of the last analysis you received. This is what we expected you to pay into your escrow account each month.
- Projected Amount: Disbursement – The amounts we expected to disburse on your behalf to various tax and insurance entities.
- Actual Amount: Deposit – The actual amount we received from you and deposited into your escrow account.
- Actual Amount: Disbursement – The amounts we actually disbursed on your behalf to various tax and insurance entities.
- Projected Escrow Balance – The escrow balance we expected your account to show at the end of each month, based on the projected payments and projected disbursements.
- Actual Escrow Balance – The balance in your escrow account at the end of each month, based on the actual payments and disbursements that occurred during the period.

# A GUIDE TO YOUR ANNUAL ESCROW STATEMENT

## 5 Total Anticipated Annual Disbursement

This section displays your tax and insurance disbursements. The total anticipated annual disbursement is the sum of all the tax and insurance payments.

## 6 Account Projections

This section displays a breakdown of your account projections for the review period that includes:

- Month – The month for which activity is displayed.
- Projected Payments – 1/12 of the anticipated annual escrow disbursement as of the last analysis you received. This is what we expected you to pay into your escrow account each month.
- Disbursements – The amounts we expected to disburse on your behalf to various tax and insurance entities.
- Projected Escrow – The escrow balance we expected your account to show at the end of each month, based on the projected payments and projected disbursements.
- Required Escrow – The balance in your escrow account at the end of each month, based on the actual payments and disbursements that occurred during the period.
